SEVEN QUESTIONS TO ASK BEFORE BUILDING A POOL...

- 
- A large infinity pool with clear blue water occupies the foreground. In the background, a sandy beach leads to the ocean under a clear sky. A wooden structure, possibly a lifeguard stand or beach entrance, is visible on the beach.
1. What is the primary purpose of the pool?
 2. What type of pool is right for me?
 3. Where should it go?
 4. What materials should I consider as part of the pool project?
 5. Now I have a pretty picture, what about the frame?
 6. When should I build?
 7. How do I select the right contractor?
